Dear Lorena,

On behalf of the Vicar, Church Wardens and congregation of St Cuthbert's Church I wish to thank you, Ray Thompson and members of APCB for the wonderful concert yesterday afternoon. It was a great programme with something to suit the musical taste of everyone present.

We felt there was a very pleasant atmosphere and everyone has said how much they enjoyed the concert. The Vicar told the congregation at both services today what a great afternoon it had been.

We certainly look forward to the Band giving another concert next year. In fact it may become an annual event.

Once again thank you so very much.

Yours sincerely,

Merle Rewcastle
